#### CAN USE GUNS.

Decision Given Regarding the Corbett-

Fitzsimmons Fight. Austin, Tex., Aug. 27.-Attorney Gen eral Crane to-day handed down his opinion in the Corbett-Fitzsimmons prize fighting case in reply to an interregatory of Sheriff Cabel of Dallas county as to whether he had any legal right to shoot down people while attempting to suppress the fight. The attorney general's reply is to the effect that prize fighters, referees, etc., constitute an unlawful assemblage and the statutes of the state make special provisions for disbandment of such unlawful assemblages; that the sheriff is empowered to summon a posse or even the militia to his aid, and in case the fighters will not cease their unlawful coners will not cease their unlawful conduct then that the statutes specially provide that homicide is justifiable when absolutely necessary to suppress riot or unlawful gatherings. riot or unlawful gatherings.

The attorney general concludes by saying that while he does not believe it necessary, still, if it is necessary, the statutes provide that the sheriff can use firearms in disbanding any unlawful assemblage.
